## Jokes

The church was conducting its annual fund drive. One member of the congregation said, "I give ten pounds."

Just then, a piece of plaster fell from the ceiling and landed on his head. He spoke up again quickly.

"I give a thousand pounds!"

The pastor said, "Lord, hit him again!"

~~~

A friend was in front of me coming out of church one day, and the preacher was standing at the door as he always is to shake hands. He grabbed my friend by the hand and pulled him aside.

The Pastor said to him, "You need to join the Army of the Lord!"

My friend replied, "I'm already in the Army of the Lord, Pastor."

Pastor questioned, "How come I don't see you except at Christmas and Easter?"

He whispered back, "I'm in the secret service."

~~~

The pastor happily told his congregation about the church's new public address system. He explained that the microphone and wiring were paid for with church funds. Then he added, "The loudspeaker was donated by a member of our congregation in memory of his wife."

# I am my Neighbours Bible

I am my neighbours Bible  
He reads me when we meet,  
Today he read me in my home,  
Tomorrow in the street.

He may be relative or friend,  
Or slight acquaintance he may be,  
He may not even know my name,  
But yet he is reading me

Dear Christian friends and brothers,  
If we could only know  
How faithfully the world records  
Just what we say and do.

Oh, we would make our records plain,  
And labour hard to see  
Our worldly neighbours won to Christ,  
While reading you and me.
